

-: Vision - Mission Statement :-

Vision: To establish a community-driven institute for the students of the depressed strata of the society and sugar cane cutters. We are committed to bring them into the mainstream by providing them the facilities of higher education.

Mission:

“From untruth to truth,
From abstract to concrete,
From darkness to light,
From temporary to the eternal.”

Objectives:

1. To provide quality education to economically disadvantaged and socially marginalized students, particularly those residing in the drought-affected areas of eastern Shevgaon tehsil.
2. To foster holistic development in our students, encompassing academic, social, and personal growth.
3. To ensure access to modern and up-to-date facilities for our students, enhancing their learning experience.
4. To preserve and promote local traditions, culture, and environmental conservation.
5. To cultivate an educational ethos among students, encouraging a lifelong love for learning.
6. To instill moral and ethical values in our teaching practices and student interactions.
7. To nurture a sense of national pride and citizenship among our students.
8. To promote social harmony and unity among students from diverse backgrounds, irrespective of race, religion, caste, or creed.
9. To combat superstitions and foster critical thinking, logic, and scientific inquiry, thus promoting rationality and intellectual growth.
